

ONEZA
WELLNESS

Serving nutrition for healthier tomorrow

About Us

Neza Wellness is the exclusive manufacturing unit for gummies only. We are capable enough and fully equipped to handle all the private label manufacturing or contract manufacturing services for both domestic and international markets. We are having state of art manufacturing facility and advanced technology equipments for gummies manufacturing and have multiple options of packing to choose from.

We are committed to providing end to end service in every step of development, manufacturing, packaging, distribution and regulatory compliance. We have a dedicated R & D team to work on customized formulation and to formulate the gummies having a stable formulation with superior quality. Therefore, we are not only your healthcare partners, but we will also be your business partners too.
